

Celebration of National Energy Conservation Day along with State level essay writing competition for school children of 6th to 8th standard.

National Energy Conservation Day 2009 was celebrated on 14th December 2009 at Guwahati along with other four zonal offices of the Inspectorate of Electricity, Assam. On the day of National Energy Conservation day, advertisements released through local news papers about the event. Energy Conservation messages were broadcasted through FM radio channel and TV. A large hoarding displaying Energy Conservation message was erected near the entrance road to the Assam Secretariat Complex, Dispur. Promotional materials printed by this office were distributed among the school children and public. T-shirts and caps carrying EC messages were distributed among students on the said day.

In Guwahati the State level Essay writing competition among standard 6th to 8th was organized in the morning hour at Shilpgram where twenty Nine participants from different parts of the State participated. The theme of the essay was '*My home- Energy Efficient Home*'. The Essays were examined by a panel of Jury and accordingly 1st, 2nd, 3rd and 10 consolation prize winner were selected. The prizes were awarded at the function held in the evening. Shri Sumeet Jerath, IAS, Commissioner & Secretary (Power) attended the function as Chief Guest and Shri S.A. Abbasi, IAS, Member Finance, ASEB was the Guest of honour for the function. .
